- 8. Attendance Slips and Proxy Form is attached to the Notice.

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013.

Item No. 4

The Board on the recommendation of the Audit Committee has approved the appointment of Cost Auditor M/s Vandana Bansal & Associates to conduct the audit of cost records of the Company for the financial year ending on March 31, 2024, on payment of remuneration of Rs. 55,000/- (Rupees Fifty Five Thousand only) plus applicable GST.

In accordance with the provisions section 148 of the Companies Act, 2013 read with Rule 14 of the Companies Act, 2014, the remuneration payable to the Cost Auditors has to be ratified by the members of the Company. Accordingly, consent of the members are sought for approval and ratification of the remuneration payable to the Cost Auditors for the financial year ending on March 31, 2024.

The Board recommends the Ordinary Resolution in relation to remuneration of Cost Auditors for approval by the members of the Company.

None of the Directors and their relatives are, in any way, concerned or interested in the resolution set out in item no. 4.

Item No. 5

The Shareholders of the Company at the 46th Annual General Meeting held on 25 September, 2019 approved the reappointment of Mr. Mohan Bir Sahni (DIN: 00906251) as a Whole Time Director of the Company for a period of five years effective from 01 April, 2020 to 31 March, 2025 through a Special Resolution under the provisions of Sections 196, 197, 198, and other applicable provisions of the Companies Act, 2013 and the rules made there under (including any statutory modification or re-enactment thereof) read with Schedule-V of the Companies Act, 2013 and Articles of Association of the Company. Mr. Mohan Bir Sahni, Whole Time Director attained the age of 70 years and hence the Company seeks consent of the members by way of special resolution for continuation of his holding of existing office after the age of 70 years during the currency of his term of appointment under the provisions of Section 196 (3) (a) of the Companies Act, 2013. The Board therefore recommends the Special Resolutions for your approval.

Mr. Mohan Bir Sahni is a prominent and successful Industrialist with a wide and varied experience in the management of business and industry. Accordingly, looking at his expertise and long experience of business management, the Board of Directors recommends the Special resolution set out at Item No. 5 of the accompanying Notice for the approval of the Members. The Board is of the view that the continued association of Mr. Mohan Bir Sahni would benefit the Company, given the knowledge, experience and performance of Mr. Mohan Bir Sahni and contribution to Board processes by him. In the opinion of the Board, Mr. Mohan Bir Sahni fulfils the conditions specified in the Act, the Rules thereunder for appointment as an Whole Time Director. This explanatory statement and the resolution at Item no. 5 may also be read and treated as disclosure in compliance with the requirements of Section 190 of the Companies Act, 2013. Except Mr. Mohan Bir Sahni, none of the other Directors of the Company or their relatives are concerned or interested, financially or otherwise in Resolution No. 5.

The Board recommends the resolution set forth in item no. 5 for the approval of members.

Item No. 6

Maj. Gen. Jatinder Singh Bedi (Retd.) was appointed as whole time director of the company for a period of five years effective from 14.10.2019, by board of directors in its meeting held on 14.10.2019, thereafter his appointment was approved by the shareholders in the annual general meeting held on 30.12.2020.

Considering his valuable experience and expertise and on the recommendation of Nomination and remuneration committee, the board of directors has approved the increase in existing remuneration of Maj. Gen. Jatinder Singh Bedi (Retd.) by maximum Rs. 30,000/- per month with effect from 01 April, 2023 to 30 September, 2024.

The details of revised remuneration payable to Maj. Gen. Jatinder Singh Bedi (Retd.) is as follows:

Awards & Recognition

- Quality Award of the Year by Kawasaki Motors, USA
- Zero PPM Supplier Award for FY 2022-23 from Tata Motors, Pune
- Maruti Suzuki Excellence Dynamic Rating 100% for the last 3 years

PRODUCTION

Our productivity and process capabilities continue to improve. In-house rejection and wastage are reducing due
to our improved production processes. We have added state-of-the-art new machines to our production lines,
with the aim to enhance capacities to fulfil the rising demand for our products in the market and to automate the
processes to increase productivity. To meet the ever-growing challenges, we have upgraded the existing
production lines to include various production processes, energy-soving measures and quality assurance to
make the production more productive and efficient.

MARKETING - DOMESTIC

The Company have maintained a high level of on-time supplies to our customers and catered to their product demands in entirety. The following are the highlights:

- Share of Business of 2W, PV, Off-Highway, and Earthmoving segments has gone up in the OEM Segment.
- New OEM & Institutional Customers have been added
- · We continue to expect a strong uptick in sales and overall demand for our filters across multifarious segments.
- We have introduced 29 New Products in the market for 2022-23
- Increased penetration in unrepresented geographies by appointing 60 new channel partners

AIR PURIFIERS

Besides room air purifiers, we have successfully designed and developed clean air towers and industrial air purifiers for large outdoor and indoor spaces. With the ability to efficiently capture particulate matter and VOCs, our clean air products have been finding wide applicability in the reduction of ambient air pollution. While the clean air towers have become an attraction for many residential projects, our Industrial Air Purifiers are gaining traction in hospital wards, school auditoriums, etc. An attractive design, superior performance, and the possibility of customization have brought us appreciation and trust from our customers.

MARKETING - INTERNATIONAL

Our export sales showed a jump from Rs. 13886 lakhs to a record of Rs. 15024 lakhs in the FY 2022-23, which was significantly higher than what we achieved in the FY 2021-22. Exports to OEM customers still account for a major share of our global sales. Our new warehouse in Pooler GA continues to feed many of our OEM customer requirements on a Just in Time (JIT) basis. We have also gained new business from our existing OEM customers and also received new potential business apportunities from other customers.

Sales to After Market customers have been stable as compared to the previous year. The trends in the international markets are encouraging.

QUALITY & ENGINEERING

Customer satisfaction continues to be a top priority for us. We are proud to report that our customer satisfaction scores have significantly increased by ensuring the highest standards of quality for our products and processes. This reflects our commitment to deliver exceptional products/services and providing outstanding customer support.

Additionally, we have upgraded our supplier partners to maintain ISO 9001:2015 Certification. This ensures that our supply chain remains aligned with our quality standards and enables us to receive quality parts on time, contributing to our overall customer satisfaction.

To streamline our business processes, optimize operations, and provide us with real-time insights for informed decision-making, your company has implemented "SAP S4 HANA" a world-renowned enterprise resource planning (ERP) system.

In order to the convergence of advanced technologies, digitalization, and automation, your company has started Industry 4.0 project at its Faridabad plant.

We remain committed to our continuous improvement journey and our dedication to exceeding customer expectations through high-quality products, efficient operations, and advanced technological advancements.

RESEARCH & DEVELOPMENT

An innate aspiration for innovation has allowed us to design and develop best-in-class products and practices. The continued focus on research and development (R&D) has resulted in the creation of innovative products and improvement in the quality and performance of the existing product line. Our research and development team has been exploring new avenues in the fields of ambient air and water purification. Besides filtration in battery electric vehicles, we are vigorously working to develop filters for hydrogen and air filtration in fuel cell electric vehicles.

Already a leader in automotive filtration, we have upgraded to meet the BS-VI norms. Further, we have now generated the capability and know-how for the in-house development of all types of automotive and industrial filters. Moreover, the appetite to keep innovating has led us to explore the filters that absorb carbon dioxide and effectively deactivate microbes in closed areas.

High standards of laboratory management and standard testing protocols in our R&D (Research and Development). Laboratory has earned us the prestigious accreditation from National Accreditation Board for Testing and Calibration Laboratories (NABL).

With the attainment of two process patents in the last financial year our total patent count has risen to twelve with ten patents still in the process.

CHANGE IN THE NATURE OF BUSINESS, IF ANY

There is no change in the nature of business of your Company.

DIVIDEND

Keeping in view the growth of your company, the Board of Directors of the Company is pleased to recommend a dividend of Rs. 3 per equity share of the face value of Rs. 10/- each on Equity Shares of the Company for the financial year 2022-23 for your approval. The dividend, if approved, shall be payable to the members holding shares as of the company's AGM date.

AMOUNT TRANSFER TO ANY RESERVE

An amount of Rs. 397 lakhs has been transferred to the general reserve out of profit earned during the year 2022-23.

BOARD OF DIRECTORS

A. Appointment/Re-Appointment of Directors

During the financial year 2022-23, there is no change in the directorship of the company.

B. Declaration by Independent Director(s)

In terms of Section 149(7) of the Companies Act, 2013, every Independent Director of the Company has submitted a declaration that they meet the criteria of Independence.

C. Separate Meeting of Independent Directors

In terms of requirements under Schedule IV of the Companies Act, 2013, a separate meeting of the Independent Directors was held on June 14, 2022. The Independent Directors at the meeting, inter alia, reviewed the following:-

- Performance of Non-Independent Directors and Board as a whole.
- Performance of the Chairperson of the Company.
- Assessed the quality, quantity, and timeliness of the flow of information between the Company's Management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

D. Remuneration Policy

The Board has, on the recommendation of the Nomination & Remuneration Committee, laid down a Nomination & Remuneration policy for the selection and appointment of Directors, Key Managerial Personnel and Senior Management and their remuneration.

Annexure – V

NOMINATION AND REMUNERATION POLICY

This Nomination and Remuneration Policy is being formulated in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto. This policy on nomination and remuneration of Directors, Managerial Personnel and Senior Management has been formulated by the Nomination and Remuneration Committee (NRC or the Committee) and has been approved by the Board of Directors.

1. Definitions:

In this Policy unless the context otherwise requires:

'Act' means Companies Act, 2013 and rules thereunder

- 'Board of Directors' or 'Board', in relation to the Company, means the collective body of the directors of the Company
- 3) 'Committee' means Nomination and Remuneration Committee of the Company as constituted or reconstituted by the Board
- 'Company' means Elofic Industries Limited
 'Directors' means Directors of the Company

6) 'Independent Director' means a director referred to in Section 149 (6) of the Companies Act, 2013

'Ministry' means the Ministry of Corporate Affairs

8) 'Regulations' refers to and comprise of Companies Act, 2013, The Companies (Meeting of Board and its Powers) Rules, 2014, The Companies (Appointment and Qualification of Directors) Rules, 2014, The Companies (Appointment and Remuneration of Managerial personnel) Rules, 2014, The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, and such other rules and provisions as applicable to the matters dealt in by this Policy 'Senior Management Personnel ' for this purpose shall mean employees of the company who are members of its core management team excluding Board of Director of management one level below the executive director(s), including the functional.

Unless the context otherwise requires, words and expressions used in this policy and not defined here in but defined in the Companies Act, 2013 as may be amended from time to time shall have the meaning respectively assigned to them therein, rank equivalent to General Manager and above, including all functional heads.

2. OBJECTIVE:

The objective of the policy is to ensure that

- The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the company successfully;
- Relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- Remuneration to directors and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

3. ROLE OF THE COMMITTEE:

- The role of the NRC will be the following:
 - a) To formulate criteria for determining qualifications, positive attributes and independence of a Director.
 - b) To formulate criteria for evaluation of Independent Directors and the Board.
 - c) To identify persons who are qualified to become Directors and who may be appointed in Senior Management in accordance with the criteria laid down in this policy.
 - To carry out evaluation of Director's performance.
 - e) To recommend to the Board the appointment and removal of Directors and Senior Management.
 - To recommend to the Board policy relating to remuneration for Directors Personnel and Senior Management.

g) To devise a policy on Board diversity, composition, size.

h) Succession planning for replacing Key Executives and overseeing.

 To carry out any other function as is mandated by the Board from time to time and / or enforced by any statutory notification, amendment or modification, as may be applicable.

To perform such other functions as may be necessary or appropriate for the performance of its duties.

4. APPOINTMENT AND REMOVAL OF DIRECTOR AND SENIOR MANAGEMENT

- a) The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director or Senior Management level and recommend his / her appointment, as per Company's Policy.
- b) A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has authority to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory for the position.
- c) The Company shall not appoint or continue the employment of any person as Whole-time Director who has attained the age of seventy years. Provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution.

5. TERM / TENURE:

- a) Managing Director/Whole-time Director: The Company shall appoint or re-appoint any person as its Executive Chairman, Managing Director or Executive Director for a term not exceeding five years at a time. No re-appointment shall be made earlier than one year before the expiry of term.
- b) Independent Director: An Independent Director shall hold affice for a term up to five consecutive years on the Board of the Company and will be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report. No Independent Director shall hold office for more than two consecutive terms of upto maximum of 5 years each, but such Independent Director shall be eligible for appointment after expiry of three years of ceasing to become an Independent Director.

Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly.

6. EVALUATION:

 The Committee shall carry out evaluation of performance of Director and Senior Management Personnel yearly or at such intervals as may be considered necessary.

7. REMOVAL:

 The Committee may recommend with reasons recorded in writing, removal of a Director, and Senior Management Personnel subject to the provisions and compliance of the Companies Act, 2013, rules and regulations and the policy of the Company.

8. RETIREMENT:

 The Director and Senior Management Personnel shall retire as per the applicable provisions of the Act and the prevailing policy of the Company. The Board will have the discretion to retain the Director, Senior Management Personnel in the same position/ remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

9. POLICY FOR REMUNERATION TO DIRECTORS/MP/SENIOR MANAGEMENT PERSONNEL:

1) Remuneration to Managing Director / Whole-time Directors:

 a) The Remuneration/ Commission etc. to be paid to Managing Director / Whole-time Directors, etc. shall be governed as per provisions of the Companies Act, 2013 and rules made there

under or any other enactment for the time being in force and the approvals obtained from the Members of the Company.

- b) The Nomination and Remuneration Committee shall make such recommendations to the Board of Directors, as it may consider appropriate with regard to remuneration to Managing Director / Whole-time Directors.
- 2) Remuneration to Non-Executive/Independent Directors:
 - a) The Non-Executive/Independent Directors may receive sitting fees and such other remuneration as permissible under the provisions of Companies Act, 2013. The amount of sitting fees shall be such as may be recommended by the Nomination and Remuneration Committee and approved by the Board of Directors.
 - b) All the remuneration of the Non- Executive/Independent Directors (excluding remuneration for attending meetings as prescribed under Section 197 (5) of the Companies Act, 2013) shall be subject to ceiling/ limits as provided under Companies Act, 2013 and rules made there under or any other enactment for the time being in force. The amount of such remuneration shall be such as may be recommended by the Nomination and Remuneration Committee and approved by the Board of Directors or shareholders, as the case may be.
 - An Independent Director shall not be eligible to get Stock Options and also shall not be eligible to participate in any share based payment schemes of the Company.
 - d) Any remuneration paid to Non- Executive/Independent Directors for services rendered which are of professional in nature shall not be considered as part of the remuneration for the purposes of clause (b) above if the following conditions are satisfied:
 - i) The Services are rendered by such Director in his capacity as the professional; and ii) In the opinion of the Committee, the director possesses the requisite qualification for the practice of that profession.
 - e) The Compensation Committee of the Company, constituted for the purpose of administering the Employee Stock Option/ Purchase Schemes, shall determine the stock options and other share based payments to be made to Directors (other than Indepdent Directors).
- 3) Remuneration to Senior Management:
 - a) The remuneration to Senior Management shall consist of fixed pay and incentive pay, in compliance with the provisions of the Companies Act, 2013 and in accordance with the Company's Policy.
 - b) The Fixed pay shall include monthly remuneration, employer's contribution to Provident Fund, contribution to pension fund, pension schemes, etc. as decided from to time.
 - c) The Incentive pay shall be decided based on the balance between performance of the Company and performance of the Senior Management, to be decided annually or at such intervals as may be considered appropriate.

10. IMPLEMENTATION:

- The Committee may issue guidelines, procedures, formats, reporting mechanism and manuals in supplement and for better implementation of this policy as considered appropriate.
- The Committee may Delegate any of its powers to one or more of its members.

11. AMENDMENT:

 The Board of Directors may review or amend this policy, in whole or in part, from time to time, after taking into account the recommendations from the Nomination & Remuneration Committee.

Form No. MR-3

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31⁵⁷ MARCH 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

The Members, Elofic Industries Limited 14/4, Mathura Road Faridabad, Haryana – 121 003 IN

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Elafic Industries Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records/statutory registers maintained by the Company and also the information provided by the Company, its afficers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during financial year ended on March 31, 2023 (Audit Period), complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting mode hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records/statutory registers maintained by the Company for the Audit Period in accordance with the provisions of:

- The Companies Act, 2013 ("the Act") and the rules made there under;
- The Depositories Act, 1996 and the regulation and Bye-laws framed there under;
- Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of
 Foreign Direct Investments, Overseas Direct Investment and External Commercial Borrowings. Not
 applicable to the extent of Foreign Direct Investments, External Commercial Borrowings as there were no
 reportable events during the financial year under review;
- 4. The management has confirmed that there are no industry specific laws applicable to the Company:

We have also examined compliance with the applicable clauses of the Secretarial Standards (SS-1 and SS-2) issued by the Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, subject to the following observations and we report that:

Composition of Board and its committees: The Board of Directors of the Company and its committees are duly constituted with proper balance of Executive Directors, Non- Executive Directors and Independent Directors. Further, there was no change in the composition of Board of Directors and its committees during the period under review.

- Adequate notice is given to all Directors to schedule the Board Meetings. Except where consent of the Directors was
 received for scheduling meeting at a shorter notice, agenda and detailed notes on agenda were sent at least seven
 days in advance, and a system exists for seeking and obtaining further information and clarifications on the
 agenda items before the meeting and for meaningful participation at the meeting.
- All decisions at the meetings of the Board of Directors of the Company and its Committees were carried out unanimously as recorded in the minutes of such meetings.

We further report that there are adequate systems and processes in the Company commensurate with the size and its operations to monitor and ensure compliance with applicable laws, rules, regulations and guidelines..

During the period under review, there were no instances of:

- i) Public/Right/Preferential issue of shares/debentures/sweat equity, etc.;
- ii) Redemption/buy-back of securities;
- iii) Any resolution by the Members in pursuance to section 180 of the Companies Act, 2013;
- iv) Merger/Amalgamation/Reconstruction, etc; and
- v) Foreign Technical Collaborations.

This report is to be read with our letter of even date which is annexed as Annexure A and forms an integral part of this report.

The Members, Elofic Industries Limited 14/4, Mathura Road Faridabad, Haryana – 121 003 IN

Our Secretarial Audit Report for the financial year ended March 31, 2023 of even date is to be read along with this letter.

Management's Responsibility

 It is the responsibility of management of the Company to maintain secretarial records, devise proper systems to ensure compliance with the provisions of all applicable laws and regulations and to ensure that the systems are adequate and operate effectively.

Auditor's Responsibility

- Our responsibility is to express an opinion on these secretarial records, standards and procedures followed by the Company with respect to secretarial compliances.
- ii. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the records. The verification was done on test basis to ensure that correct facts are reflected in the records, we believe that the processes and practices we followed provide a reasonable basis for our opinion.
- iii. We believe that audit evidence and information obtained from the Company's management is adequate and appropriate for us to provide a basis for our opinion.
- iv. Wherever required, we have obtained the management's representation about the compliance of laws, rules and regulations and happening of events etc.

Disclaimer

 We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.

 The Secretarial Audit Report is neither an assurance as to future viability of the Company nor of the efficacy or effectiveness with which the management has conducted affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of Elofic Industries Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Elofic Industries Limited ("the Company"), which comprise the standalone Balance Sheet as at March 31, 2023, the standalone Statement of Profit and Loss and the standalone Cash Flow Statement for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Director's Report but does not include the standalone financial statements and our auditor's report thereon, which we obtained on the date of this auditor's report

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of

INDEPENDENT AUDITOR'S REPORT

adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements,
 whether due to fraud ar error, design and perform audit procedures responsive to those risks,
 and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 The risk of not detecting a material misstatement resulting from fraud is higher than for one
 resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are
 also responsible for expressing our opinion on whether the Company has adequate internal
 financial controls system with reference to standalone financial statements in place and the
 operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting
 estimates and related disclosures made by the management
- Conclude on the appropriateness of management's use of the going concern basis of
 accounting and, based on the audit evidence obtained, whether a material uncertainty exists
 related to events or conditions that may cast significant doubt on the Company's ability to
 continue as a going concern. If we conclude that a material uncertainty exists, we are required to
 draw attention in our auditor's report to the related disclosures in the standalone financial
 statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are
 based on the audit evidence obtained up to the date of our auditor's report. However, future
 events or conditions may cause the Company to cease to continue as a going concern.

INDEPENDENT AUDITOR'S REPORT

 Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report to the extent applicable that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The standalone Balance Sheet, the standalone Statement of Profit and Loss and the standalone Cash Flow Statement dealt with by this Report are in agreement with the baoks of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure B.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Campanies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

.:- POIIC - Engineering Purity

INDEPENDENT AUDITOR'S REPORT

- The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer Note 28 (b) to the standalone financial statements.
- II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses - Refer Note 28 (d) to the standalone financial statements.
- III. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company - Refer Note 28 (c) to the standalone financial statements.
- IV. (a) The management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested either from borrowed funds or share premium or any other sources or kind of funds by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries Refer Note 44 (g) to the standalone financial statements.
 - (b) The management has represented, that, to the best of it's knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries - Refer Note 44 (f) to the standalone financial statements.
 - (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.
- V. The final dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act.
- VI. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, as amended is applicable for the Company only with effect from April 01, 2023, therefore, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, as amended, is not applicable.

(Referred to in paragraph 1 under Report on Other Legal and Regulatory Requirements' section of the Independent Auditor's Report of even date to the members of Elofic Industries Limited on the standalone financial statements as of and for the year ended March 31, 2023)

- (i)
 (a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
 - B. The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The Company has a regular program of physical verification of its property, plant and equipment under which property, plant and equipment are verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain property, plant and equipment were verified during the year and according to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and based on the examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
 - (d) The Company has not revalued its property, plant and equipment and intangible assets during the year, being under cost model. Accordingly, the provisions of clause 3(i)(d) of the Order are not applicable.
 - (e) There are no proceedings which have been initiated or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) (as amended in 2016) and Rules made thereunder.
 - (a) The management has conducted physical verification of inventory at reasonable intervals during the year. According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the coverage and procedure of such verification by the management is appropriate and no material discrepancies of 10% or more in the aggregate for each class of inventory were noticed on physical verification as compared to the book records.
 - (b) In our opinion and according to the information and explanations given to us, during the year, the Company has been sanctioned working capital limits in excess of Rs. 500 lakhs, in aggregate, from banks on the basis of security of current assets. The quarterly returns or statements filed by the Company with such banks or financial institutions are not in agreement with the books of account of the Company, the details of which are as follows:

Quarter	Name of the bank or financial institution	Particulars of securities provided	Amount as per books of account (Rupees Lakhs)	Amount as reported in the quarterly return/ statement (Rupees Lakhs)	Amount of difference (Rupees Lokhs)	Reason for material discrepancies
March 2023	HDFC Bank and HSBC Bank	Trade receivables	5,934.26	5,865.81	68.45	Immaterial difference
March 2023	HDFC Bank and HSBC Bank	Stock	4,397.38	4,393.12	4.26	Immaterial difference

(66)

(a) The Company has granted loans to employees, the details of which are as given below:

Particulars	Loans (Rupees Lakhs)
Aggregate amount granted during the year - Employees	28.14
Balance outstanding as at balance sheet date in respect of above cases - Employees	6.74

The Company has not provided any advances in the nature of loans, guarantee or security to companies, firms, Limited Liability Partnership (LLPs) or any other party other than as described above.

- (b) In our opinion and according to the information and explanations given to us the investments made and the terms and conditions of grant of all loans are not, prima facie, prejudicial to the Company's interest.
- (c) According to the information and explanations given to us, in respect of loans, the loan given is interest free and the schedule of repayment of principal has been stipulated and the repayment of the principal amount is regular.
- (d) According to the information and explanations given to us, in respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) According to the information and explanations given to us, no loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties. Accordingly, the provisions of clause 3(iii)(e) of the Order are not applicable.
- (f) According to the information and explanations given to us, the Company has not granted any loans which are either repayable on demand or without specifying any terms or period of repayment. Accordingly, the provisions of clause 3(iii)(f) of the Order are not applicable.
- (iv) According to the information and explanations given to us, the Gompany has not entered into any transaction covered under Sections 185 and 186 of the Act.
- (v) According to the information and explanations given to us, the Campany has neither accepted any deposits nor the amounts which are deemed to be deposits during the year and further the Company had no unclaimed deposits at the beginning of the year within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) The maintenance of cost records has been specified by the Central Government under Section 148(1) of the Companies Act, 2013 in respect of Company's products/services. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products/services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained by the Company. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) In our opinion and according to the information and explanations given to us, the Company is regular in depositing undisputed statutary dues including goods and services tax, provident fund, employees' state insurance, income-tax, cess and other material statutory dues, as applicable, to the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.

(b) According to the information and explanations given to us, there are no statutory dues referred to in sub-clause (a) that have not been deposited with the appropriate authorities on account of any dispute except for the following cases:

Name of the statute	Nature of dues	Amount (Rupees Lakhs)	Amount paid under protest (Rupees Lakhs)	Period to which the amount relates	Forum where dispute is pending
The Central Excise Act, 1944	Excise duty	14.43	2.50	Financial Year 1998-2000	Commissioner Central Excise, Delhi IV, Faridabad

- (viii) According to the information and explanations given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
 - (b) According to the information and explanations given to us, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - (c) According to the information and explanations given to us, the Company did not have any term loans outstanding during the year. Accordingly, the provisions of clause 3(ix)(c)of the Order are not applicable.
 - (d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
 - (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has neither taken any funds from any entity or person during the year nor it has raised funds through issue of shares or borrowings on account of or to meet the obligations of its subsidiary.
 - (f) According to the information and explanations given to us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiary.
- (x) (a) According to the information and explanations given to us, the Company did not raise moneys by way
 of initial public offer or further public offer (including debt instruments) during the year. Accordingly,
 the provisions of clause 3(x)(a) of the Order are not applicable.
 - (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally). Accordingly, provisions of clause 3 (x)(b) of the Order are not applicable.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the period covered by our audit.
 - (b) No report under sub-section (12) of Section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 (as amended) with the Central Government, during the year and upto the date of this report.

- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) (a) to (c) of the Order are not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions with the related parties are in compliance with Sections 177 and 188 of Act, where applicable, and the requisite details have been disclosed in the financial statements etc., as required by the applicable accounting standards.
- (xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system commensurate with the size and nature of its business.
 - (b) We have considered the internal audit reports of the Company issued till date, for the period under audit.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with the directors or persons connected with them covered under Section 192 of the Act.
- (xvi) (a) The Company is not required to be registered under Section 45-1A of the Reserve Bank of India Act, 1934. Accordingly, provisions of clause 3 (xvi)(a) of the Order are not applicable.
 - (b) The Company has not conducted any non-banking financial or housing finance activities during the year.
 - (c) The Company is not a Core Investment Company ("CIC") as defined in the regulations made by the Reserve Bank of India. Accordingly, provisions of clause 3(xvi)© of the Order are not applicable.
 - (d) The Group does not have any CIC which are part of the Group.
- (xvii) The Company has not incurred any cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (a) There is no unspent amount towards Corporate Social Responsibility (CSR) on other than angoing projects requiring a transfer to a Fund specified in Schedule VII to the Act in compliance with the second proviso to sub-section (5) of Section 135 of the said Act.
 - (b) There is no unspent amount towards Corporate Social Responsibility (CSR) on ongoing projects requiring a transfer to a special account in compliance with provision of sub-section (6) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year.

(xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditor's Report of even date to the members of Elofic Industries Limited on the standalone financial statements as of and for the year ended March 31, 2023)

Independent Auditor's report on the Internal Financial Controls with reference to financial statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **Elofic Industries**Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on internal control criteria with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("the ICAI") and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the essential components of internal control stated in the Guidance note on Audit of Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Corporate Information

Elofic Industries Limited ("the Company") was incorporated on June 2, 1973 under the provisions of the Companies Act, 1956. The Company has six manufacturing units located in Faridabad, Noida, Hosur and Nalagarh. The Company is engaged in manufacturing and supplying of automobile filters and lubes. The Company has its Registered Office at 14/4, Mathura Road, Faridabad-121003.

2. Significant accounting policies

2.1 Basis of accounting and preparation of financial statements

The standalone financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply in all material aspects with the Accounting Standards specified under section 133 of the Companies Act, 2013 and notified under Companies (Accounts) Rules, 2021 and other relevant provisions of the Companies Act, 2013 ('the 2013 Act'), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year except for a change in the method of valuation of inventories, the impact of which has been disclosed in Note 43 to the standalone financial statements.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialise.

2.3 Inventories

'Inventories are valued at the lower of cost or net realisable value after providing for obsolescence and other losses, where considered necessary. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The cost of purchase consists of the purchase price including duties and taxes (other than those subsequently recoverable by the enterprise), freight inwards and other expenditure directly attributable for its acquisition. Work-in-progress and finished goods include appropriate proportion of overheads.

The methods of determining cost of various categories of inventories are as under:

S.No.	Particulars	Method of Valuation
a.	Raw materials, packing materials and stores and spares	Moving average method
b.	Stock-in-trade	Raw material cost on moving average method plus appropriate share of labour and manufacturing overheads.
c.	Finished goods and work In progress	Raw material cost on moving average method plus conversion and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Raw materials and other supplies held for use in the production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realisable value.

2.4 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Cash flow statement

The cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrols or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated as specified in Accounting Standard -3 (AS-3) "Cash Flow Statement".

2.6 Depreciation and amortization

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible assets is provided using written down value method as per useful life specified in Part *C* of Schedule II to the Companies Act, 2013 and after retaining residual value of 5% of the original cost of the assets as specified in the said schedule except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Leasehold improvements are amortized over the lease term or the useful life of the assets.

Computer software are amortized over a period of 5 years

Assets costing individually Rs. 5,000 or less are fully depreciated in the year of purchase.

Depreciation for assets purchased / sold during a period is proportionately charged to standalone statement of profit and loss, intangible assets are amortized over their respective individual estimated useful lives an a straight-line basis, commencing from the date the assets are available to the Company for their use.

2.7 Revenue recognition

Revenue is recognized to the extent that it is probable that economic benefits will flow to the Company and the revenue can be reliably measured. Following are the specific revenue recognition criteria:

a. Sale of goods

Revenue relating to sale of goods is recognized on dispatch of goods which coincides with the transfer of significant risks and rewards related to goods and are accounted for net of returns. Net sales, as disclosed, are exclusive of sales tax and GST.

b. Income from services

Revenue relating to sale of services is recognized on accrual basis in accordance with the service agreements when services are rendered and related costs are incurred.

2.8 Other income

- Interest income is recognized on time proportionate basis determined by the amount outstanding and the rate applicable and where no significant uncertainty as to measurability or collectability exists.
- Export Incentives are also recognized on accrual basis.

2.9 Property, plant and equipment (Tangible assets and capital work-In-progress)

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipment includes non-refundable taxes,

duties, freight, insurance, labour cost, allocable borrowing costs and other directly attributable cost to the construction / acquisition of the assets. Subsequent expenditure relating to property, plant and equipment is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Gain or loss arising on account of sale of property, plant and equipment are measured as the difference between the net proceeds and the carrying amount of the asset and are recognized in the standalone Statement of Profit and Loss in the year in which the asset is sold.

Property, plant and equipment under construction, advance paid towards acquisition of property, plant and equipment and cost of assets not ready to use before year end are shown as capital work in progress. Projects under commissioning and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Capital work-in-progress:

Projects under which property, plant and equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.10 Intangible assets

Intangible assets represent computer software (which are not integral part of related hardware). Computer software which is acquired separately, is recognized initially at cost. After initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

2.11 Foreign currency transactions and translations

Initial recognition:

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Conversion:

Monetary items denominated in foreign currency and not covered by forward exchange contracts are reported using the closing exchange rate on each Balance Sheet Date and those covered by forward exchange contracts are translated at the rate prevailing on the date of transaction as increased or decreased by the proportionate difference between the forward rate and exchange rate on the date of transaction, such difference having been recognized over the life of contract. Non-Monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction.

Exchange difference:

The exchange difference arising on the settlement of monetary items or reporting these items at rates different from rates at which these were initially recorded / reported in previous period are recognized as income/expense in the period in which they arise.

Measurement at the balance sheet date:

Foreign currency monetary items (other than derivative contracts) of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Company are carried at historical cost.

Forward contracts:

In case of forward exchange contracts, the premium or discount arising at the inception of such contracts, is amortized as income or expense over the life of the contract as well as exchange difference on such contracts i.e. difference between the exchange rates at the reporting/settlement date and the exchange rate on the date of inception of contract / the reporting date, is recognized as income / expense for the period.

2.12 Government grants, subsidies and export incentives

Grants and subsidies from the government is recognized when there is reasonable assurance that (i) the company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match the related cost, which they are intended to compensate. Where the grant relates to an assets, it is recognized as deferred income and released to income on a systematic and rational basis in the proportions in which depreciation on related assets is charged to the standalone Statement of Profit and Loss.

Where the company receives non-monetary grants, the asset is accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost, it is recognized at a nominal value.

Government grants of the nature of promoters contribution are credited to capital reserve and treated as a part of the shareholders fund.

2.13 Investments

Long term investments are stated at cost except those investments which in the management's opinion have suffered a permanent diminution and thus valued at nominal rate. Cost of investments include acquisition charges such as brokerage, fees and duties.

Investment which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as Current Investments.

Current investments are carried in the standalone financial statements at lower of cost and fair value determined on an individual investment basis.

2.14 Employee benefits

Expense and liabilities in respect of employee benefits are recorded in accordance with Accounting Standard 15 – Employee Benefits. Employee benefits include provident fund, employee state insurance scheme, gratuity fund and compensated absences.

Short term employee benefits

Short-term employee benefits are recognized as an expense at the undiscounted amount in the standalone Statement of Profit or Loss of the year in which related services are rendered. Such Benefits include salaries, wages, bonus etc. The liability for compensated absences in respect of employees (other than workers) is in the nature of short term employee benefits which has provided on the basis of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences and in case of non-accumulating compensated absences, when the absences occur. Terminal benefits, if any, are recognized as an expense immediately. The Company provides for compensated absences based on best estimated basis.

Defined contribution plan

Contributions payable to recognized provident fund and employee state insurance scheme, which are substantially defined contribution plans, are recognized as expense in the standalone statement of profit and loss, as they are incurred.

Defined benefit plan

For defined benefit plans in the form of gratuity fund, the cost of providing defined benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognized in full in the standalone statement of profit and loss for the period in which they occur. Past service cost is recognized immediately to the extent the benefits are already vested, and otherwise is amortized on a straight line basis over the average period until the benefits become vested. The retirement benefit obligation recognized in the

Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost and as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Other long term benefits

Till the previous year the holding company treats some of the accumulated leave of workers as longterm employee benefit for measurement purposes. Long term compensated absences are provided for an the basis of actuarial valuation, using the Projected Unit Credit method, at the end of each financial year. Actuarial gains/ losses, if any, are recognised immediately in the standalone Statement of Profit and Loss. From current year the Company treated the compensated absences as short term employee benefits and provided based on best estimation basis.

2.15 Borrowing costs

Borrowing costs include interest, amortization of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the ocquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

2.16 Segment reporting

Identification of segments:

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the executive management in deciding how to allocate resources and in assessing performance. The geographical segment of the Company is based on the location of customer in India and outside India.

Segment revenue and expense:

Segment revenue and expense which are directly attributable to the segments are considered under respective segment. Common expenses are allocated to the two segments on turnover basis.

Segment asset and liabilities:

Segment assets include all operating assets used by a segment and consist principally of Debtors, inventories, Investment which are reported in the Balance Sheet. Segment liabilities include all operating liabilities and consist principally of creditors and accrued liabilities. Segment assets and liabilities do not include deferred income taxes.

Segment policies:

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the standalone financial statements of the Company as a whole.

2.17 Leases

Lease under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. Such assets are capitalized at the inception of the lease at the lower of the fair value or the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

The assets acquired under leases where a significant portion of the risks and rewards of awnership are retained by the lessor are classified as operating leases. Lease rentals in case of operating leases are charged to the standalone statement of profit and loss on accrual basis on straight line basis.

2.18 Earnings per share (EPS)

In determining earnings per share, the Company considers the net profit after tax and includes the post tax effect of any extra ordinary items.

- Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.
- For the purpose of calculating diluted earning per share, the number of shares comprises of weighted average shares considered for deriving basic earning per share and also the weighted average number of equity share which could have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. A transaction is considered to be antidilutive if its effect is to increase the amount of EPS, either by lowering the share count or increasing the earnings.

2.19 Taxes on income

Tax expense comprises current tax and deferred tax.

Current tax

Current tax is measured and expected to be paid to the tax authorities in accordance with the provisions of the Income Tax Act, 1961 and other applicable tax laws which also based on the expected outcome of assessment/appeals with respect to the Company. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current Income Tax relating to the items recognized directly in equity is recognized in equity and not in the standalone statement of profit and loss.

Minimum alternate tax

Minimum Alternate Tax (MAT) paid in the year is charged to the Statement of Profit and Loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the standalone Statement of Profit and Loss and shown as "MAT Credit Entitlement". The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

Deferred tax

Deferred tax reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and tax lows used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Deferred tax assets subject to consideration of prudence, are recognized and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Such assets are reviewed as at each balance sheet date to re-assess realization.

Current and deferred tax relating to items directly recognized in reserves are recognized in reserves and not in the Statement of Profit and Loss.

2.20 Impairment of assets

The Company assesses at each reporting date whether there is an indication that an asset or Cash Generating Unit (CGU) may be impaired. If any indication exists, the recoverable amount of the same is determined. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

A previously recognized impairment loss is reversed in standalone statement of profit and loss only if there has been a change in the assumptions used to determine the assets recoverable amount since the last impairment loss was recognized.

2.21 Provision, contingent liabilities and contingent assets

The Company creates a provision when there is present obligation as a result of a past event that probably requires an autiliow of resources and a reliable estimate can be made of the amount of obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources ar where a reliable estimate of the obligation cannot be made. Provision for onerous contracts, i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation. Contingent assets are neither recognized nor disclosed in the standalone financial statements.

2.22 Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

2.23 Classification of current / Non current assets and liabilities

All assets and liabilities are presented as Current or Non Current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and time between acquisition of assets and disposal of liabilities, the Company has ascertained its operating cycle as 12 months for the purpose of current / non current classification of assets and liabilities. Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalent.

b. Terms/rights attached to equity shares

The Company has only one class of equity shares having a par value of Rs. 10 per share. Each holder of equity shares is entitled to one value per share. The Company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, offer distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

Reasons for material discrepancies in the month of March 31, 2023

The quarterly returns or statements filed by the Company for working capital limits with banks are in agreement with the banks of account of the Company except for statements filed for the quarter and year ended March 31, 2023, where differences were noted between the amount as per books of account for respective quarters and amount as reported in the quarterly statements as follows; the differences were in case of trade receivables amounting to Rs. 68.45 (amount reported Rs. 5,865.81 vs amount as per books of account Rs. 5,934.26) and inventories had a difference of Rs. 4.26 lakins (amount reported Rs. 4,393.12 vs amount as per books of account Rs. 4,397.38). The difference is mainly due to actualisation of provisions for expenses, goods in transit and cut-off adjustments at the year end.

To the Members of Elofic Industries Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Elafic Industries Limited ("the Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2023, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India, of their consolidated state of affairs of the Group, as at March 31, 2023, of the consolidated profit and its consolidated cash flows for the year ended on that date

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their report referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises of the Director's Report but does not include the consolidated financial statements and our auditor's report thereon, which we obtained on the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work, if we have performed, and report of other auditors as furnished to us, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act, that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are

Management's Responsibility for the Consolidated Financial Statements

reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
 is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
 forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing
 our opinion on whether the Company has adequate internal financial controls system with reference to
 consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based
 on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may
 cast significant doubt on the ability of the Group to continue as a going concern. If we canclude that a
 material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures
 in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our
 conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future
 events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business
activities within the Group to express an opinion on the consolidated financial statements. We are
responsible for the direction, supervision and performance of the audit of the financial statements of such
entities or business activities included in the consolidated financial statements of which we are the
independent auditors. For the other entities or business activities included in the consolidated financial
statements, which have been audited by the other auditors, such other auditors remain responsible for the
direction, supervision and performance of the audits carried out by them. We remain solely responsible for
our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

We did not audit the financial statements of the subsidiary, whose financial statements reflect total assets (after eliminating intra-group transactions) of Rs. 4,347.64 lakhs as at March 31, 2023, total revenues (after eliminating intra-group transactions) of Rs. 9,256.07 lakhs and net cash outflows amounting to Rs. 82.39 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose report has been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the report of the other auditor.

Our opinion on the consolidated financial statements above, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditor.

Report on Other Legal and Regulatory Requirements

- 1. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO report issued by us for the Holding Company included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in the CARO report. In respect of the subsidiary, which is incorporated outside India, the provisions of CARO are not applicable.
- As required by Section 143(3) of the Act based on our audit and on the consideration of report and the other financial information of subsidiary, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of the other auditor.

- (c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss, and the consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as an March 31, 2023 taken on record by the Board of Directors of the Holding Company none of the directors of the Holding Company, is disqualified as an March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of internal financial controls with reference to financial statements of the Holding Company, refer to our separate report in Annexure A. In respect of the subsidiary, which is incorporated outside India, the provisions of Section 143 (3)(i) on adequacy and operating effectiveness of the internal financial controls, of the Companies Act, 2013 are not applicable.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of Section 197 of the Act. In respect of the subsidiary, which is incorporated outside India, the provisions of Section 197 of the Act are not applicable.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on separate financial statements of the subsidiary, as noted in the 'Other matter' paragraph above:
 - The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 28 (b) to the consolidated financial statements.
 - The Group did not have any material foreseeable losses on long-term contracts including derivative contracts – Refer Note 28 (d) to the consolidated financial statements.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company. In respect of the subsidiary, which is incorporated outside India, the provisions of amount to be transferred to the Investor Education and Protection Fund are not applicable – Refer Note 28 (c) to the consolidated financial statements.
 - iv. (a) The management of the Holding Company, whose financial statements have been audited under the Act, has represented to us that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested either from borrowed funds or share premium or any other sources or kind of funds by the Holding Company, to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or the subsidiary, ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. In respect of the subsidiary, which is incorporated outside India, the provisions of this clause are not applicable.

- (b) The management of the Holding Company, whose financial statements have been audited under the Act, has represented to us that, to the best of their knowledge and belief, no funds have been received by the Holding Company, from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company, shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. In respect of the subsidiary, which is incorporated outside India, the provisions of this clause are not applicable.
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us whose financial statements have been audited under the Act, nothing has come to our notice that has caused us or other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement. In respect of the subsidiary, which is incorporated outside India, the provisions of this clause are not applicable.
- v. The final dividend declared and paid by the Holding Company during the year and until the date of this audit report is in accordance with Section 123 of the Act. In respect of the subsidiary, which is incorporated outside India, the provisions of this clause are not applicable.
- vi. As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014, as amended is applicable for the Holding Company and its subsidiary company incorporated in India only with effect from April 01, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, as amended, is not applicable.

Annexure A to the Independent Auditor's Report

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditor's Report of even date to the members of Elofic Industries Limited on the consolidated financial statements as of and for the year ended March 31, 2023)

Independent Auditor's report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as at and for the year ended March 31, 2023, we have audited the internal financial controls with reference to financial statements of **Elofic Industries Limited** (hereinafter referred to as the "Holding Company"), as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to the respective company's policies, the safeguarding of the company's assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to the consolidated financial statements of the Holding Company, as aforesaid, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("the ICAI") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, which is a company incorporated in India, has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

As per the information provided to us, reporting on internal financial controls over financial reporting was not applicable for one subsidiary, as it is a foreign entity. The financial statements of this subsidiary have been audited by other auditors for the purpose of consolidation, and they have not issued a report on the internal financial controls of the subsidiary.

1. Corporate Information

Elofic Industries Limited ("the Holding Company" or "the Company") was incorporated on June 2, 1973 under the provisions of the Companies Act, 1956. The Company has six manufacturing units located in Faridabad, Noida, Hosur and Nalagarh. The Holding Company, along with its subsidiary (collectively referred to as "the Group") is engaged in manufacturing and supplying of automobile filters and lubes. The Holding Company has its Registered Office at 14/4, Mathura Road, Faridabad-121003.

2. Significant accounting policies

2.1 Basis of accounting and preparation of consolidated financial statements

The consolidated financial statements of the Group have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply in all material aspects with the Accounting Standards specified under section 133 of the Companies Act, 2013 and notified under Companies (Accounts) Rules, 2021 and other relevant provisions of the Companies Act, 2013 ("the 2013 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year except for a change in the method of valuation of inventories, the impact of which has been disclosed in Note 37 to the consolidated financial statements.

2.2 Basis of consolidation

- a. The financial statements of the Holding Company and its share in the subsidiary have been combined on a line by line basis by adding together the book value of likes items of assets, liabilities, income and expenses, after eliminating intra-Group balances and intra-Group transactions resulting in unrealized profits or losses in accordance with Accounting Standard 21, Consolidated Financial Statements'.
- b. The financial statements of the foreign subsidiary being non-integral foreign operations, have been translated using the principles and procedures as laid down in Accounting Standard 11, The Effects of Changes in Foreign Exchange Rates:
- c. To the extent possible, the consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are prepared to the extent possible, in the same policies of the subsidiary have been disclosed in the notes to the accounts.
- d. The difference, if any of the cost to the Holding Company of its investment in subsidiary over its share in the capital of the subsidiary as at the date of acquisition of stake is recognized in consolidated financial statements as goodwill or capital reserve as the case may be.
- The consolidated financial statements are presented, to the extent possible, in the same formats adapted by the Holding Company for its individual financial statements.

Details of entities considered in consolidated financial statements

Name of enterprises	Country of incorporation	% of voting power held as at March 31, 2023
Blaffic USA ILIC	United States of America	100%

2.3 Use of estimates

The preparation of the consolidated financial statements in conformity with Indian GAAP requires the Group's management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the consolidated financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialise.

2.4 Inventories

Inventories are valued at the lower of cost or net realisable value after providing for obsolescence and other losses, where considered necessary. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The cost of purchase consists of the purchase price including duties and taxes (other than those subsequently recoverable by the enterprise), freight inwards and other expenditure directly attributable for its acquisition. Work in progress and finished goods include appropriate proportion of overheads.

The methods of determining cost of various categories of inventories are as under:

Sr. no.	Particulars	Method of valuation
0.	Row materials, packing materials and stores and spares	Moving average method
b.	Stock-in-trade	Raw material cost on moving average method plus appropriate share of labour and manufacturing overheads.
c.	Finished goods and work in progress	Raw material cost on moving average method plus conversion and other costs incurred in bringing the inventories to their present location and condition.
	And the second of the second o	THE PARTY OF THE P

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Raw materials and other supplies held for use in the production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realisable value.

2.5 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.6 Cash flow statement

The cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated as specified in Accounting Standard 3, 'Cosh Flow Statement'.

2.7 Depreciation and amortization

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on Property, Plant and Equipments is provided using written down value method as per useful life specified in Part "C" of Schedule II to the Companies Act, 2013 and after retaining residual value of 5% of the original cost of the assets as specified in the said schedule except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Leasehold improvements are amortized over the lease term or the useful life of the assets. Computer software are amortized over a period of 5 years. Assets costing individually Rs. 5,000 or less are fully depreciated in the year of purchase.

Depreciation for assets purchased / sold during a period is proportionately charged to statement of profit and loss. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, commencing from the date the assets are available to the Group for their use.

2.8 Revenue recognition

Revenue is recognized to the extent that it is probable that economic benefits will flow to the Group and the revenue can be reliably measured. Following are the specific revenue recognition criteria:

(a) Sale of goods

Revenue relating to sale of goods is recognized on dispatch of goods which coincides with the transfer of significant risks and rewards related to goods and are accounted for net of returns. Net sales, as disclosed, are exclusive of sales tax and GST.

(b) Income from services

Revenue relating to sale of services is recognized an accrual basis in accordance with the service agreements when services are rendered and related costs are incurred.

2.9 Other income

- (a) Interest income is recognized on time proportionate basis determined by the amount outstanding and the rate applicable and where no significant uncertainty as to measurability or collectability exists.
- (b) Export Incentives are also recognized on accrual basis.

2.10 Property, plant and equipment (Tangible assets and capital work-In-progress)

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of tangible assets includes non-refundable taxes, duties, freight, insurance, labour cost, allocable borrowing costs and other directly attributable cost to the construction / acquisition of the assets. Subsequent expenditure relating to Property Plant and Equipments is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Gain or loss arising on account of sale of tangible assets are measured as the difference between the net proceeds and the carrying amount of the asset and are recognized in the cansalidated Statement of Profit and Loss in the year in which the asset is sold.

Property, plant and equipment under construction, advance paid towards acquisition of property, plant and equipment and cost of assets not ready to use before year end are shown as capital work in progress. Projects under commissioning and other capital work-in-progress are comied at cost, comprising direct cost, related incidental expenses and attributable interest.

Capital work-in-progress:

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.11 Intangible assets

Intangible assets represent computer software (which are not integral part of related hardware). Computer software which is acquired separately, is recognized initially at cost. After initial recognition, intangible assets are corried at cost less accumulated amortization and accumulated impairment losses, if any.

2.12 Foreign currency transactions and translations

Initial recognition:

Transactions in foreign currencies entered into by the Group are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Conversion:

Monetary items denominated in foreign currency and not covered by forward exchange contracts are reported using the closing exchange rate on each Balance Sheet Date and those covered by forward exchange contracts are translated at the rate prevailing on the date of transaction as increased or decreased by the proportionate difference between the forward rate and exchange rate on the date of transaction, such difference having been recognized over the life of contract. Non-Manetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction.

Exchange difference:

The exchange difference arising on the settlement of monetary items or reporting these items at rates different from rates at which these were initially recorded / reported in previous period are recognized as income/expense in the period in which they arise.

Measurement at the balance sheet date:

Foreign currency monetary items (other than derivative contracts) of the Group, autstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Group are carried at historical cost.

Forward contracts:

In case of forward exchange contracts, the premium or discount arising at the inception of such contracts, is amortized as income or expense over the life of the contract as well as exchange difference on such contracts i.e., difference between the exchange rates at the reporting/settlement date and the exchange rate on the date of inception of contract / the reporting date, is recognized as income / expense for the period.

2.13 Government grants, subsidies and export incentives

Grants and subsidies from the government is recognized when there is reasonable assurance that (i) the Group will comply with the conditions attached to them; and (ii) the grant/subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match the related cost, which they are intended to compensate. Where the grant relates to an assets, it is recognized as deferred income and released to income on a systematic and rational basis in the proportions in which depreciation on related assets is charged to the consolidated Statement of Profit and Loss.

Where the Group receives non-monetary grants, the asset is accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost, it is recognized at a nominal value.

Government grants of the nature of promoters contribution are credited to capital reserve and treated as a part of the shareholders fund.

2.14 Investments

Lang term investments are stated at cost except those investments which in the management's opinion have suffered a permanent diminution and thus valued at nominal rate. Cost of investments include acquisition charges such as brokerage, fees and duties.

Investment which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as Current investments.

Current investments are carried in the consolidated financial statements at lower of cost and fair value determined on an individual investment basis.

2.15 Employee benefits

Expense and liabilities in respect of employee benefits are recorded in accordance with Accounting Standard 15 - Employee Benefits. Employee benefits include provident fund, employee state insurance scheme, gratuity fund and compensated absences.

Short term employee benefits

Short-term employee benefits are recognized as an expense at the undiscounted amount in the consolidated Statement of Profit or Loss of the year in which related services are rendered. Such Benefits include salaries, wages, bonus etc. The liability for compensated absences in respect of employees (after than workers) is in the nature of short term employee benefits which has provided on the basis of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences and in case of non-accumulating compensated absences, when the obsences occur. Terminal benefits, if any, are recognized as an expense immediately, the Group provides for compensated absences based on best estimated basis.

Defined contribution plan

For defined benefit plans in the form of gratuity fund, the cost of providing defined benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognized in full in the Consolidated Statement of Profit and Loss for the period in which they occur. Past service cost is recognized immediately to the extent the benefits are already vested, and otherwise is amortized on a straight line basis over the average period until the benefits become vested. The retirement benefit obligation recognized in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost and as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Other long term benefits

Till the previous year the Group treats some of the accumulated leave of workers as long-term employee benefit for measurement purposes. Long term compensated absences are provided for on the basis of actuarial valuation, using the Projected Unit Credit method, at the end of each financial year. Actuarial gains/ losses, if any, are recognized immediately in the consolidated Statement of Profit and Loss. From current year the Group has treated the compensated absences as short term employee benefits and provided based on best estimation basis.

2.16 Borrowing costs

Borrowing costs include interest, amortization of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the barrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the cansolidated Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

2.17 Segment reporting

Identification of segments:

The Group identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating prafit / loss amounts are evaluated regularly by the executive management in deciding how to allocate resources and in assessing performance. The geographical segment of the Group is based on the location of customer in India and outside India.

Segment revenue and expense:

Segment revenue and expense which are directly attributable to the segments are considered under respective segment. Common expenses are allocated to the two segments on turnover basis.

Segment asset and liabilities:

Segment assets include all operating assets used by a segment and consist principally of Debtors, inventories, Investment which are reported in the balance sheet. Segment liabilities include all operating liabilities and consist principally of creditors and accrued liabilities. Segment assets and liabilities do not include deferred income taxes.

Segment policies:

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements of the Group as a whole.

2.18 Leases

Lease under which the Group assumes substantially all the risks and rewards of awnership are classified as finance leases. Such assets are capitalized at the inception of the lease at the lower of the fair value or the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

The assets acquired under leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals in case of operating leases are charged to the Consolidated Statement of Profit and Loss on accrual basis on straight line basis.

2.19 Earnings per share (EPS)

In determining earnings per share, the Group considers the net profit after tax and includes the post tax effect of any extra ordinary items.

 Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted overage number of equity shares outstanding during the year.

For the purpose of calculating diluted earning per share, the number of shares comprises of weighted average shares considered for deriving basic earning per share and also the weighted average number of equity share which could have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as af the beginning of the period, unless they have been issued at a later date. A transaction is considered to be antidilutive if its effect is to increase the amount of EPS, either by lowering the share count or increasing the earnings.

2.20 Taxes on income

Tax expense comprises current tax and deferred tax.

Current tax

Current tax is measured and expected to be paid to the tax authorities in accordance with the provisions of the Income Tax Act, 1961 and other applicable tax laws which also based on the expected outcome of assessment/appeals with respect to the Group. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to the items recognized directly in equity is recognized in equity and not in the consolidated Statement of Profit and Loss.

Minimum alternate tax

Minimum Alternate Tax (MAT) paid in the year is charged to the Consolidated Statement of Profit and Loss as current tax. The Group recognises MAT credit available as an asset only to the extent that there is convincing evidence that the Group will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which Group recognises MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the Consolidated Statement of Profit and Loss and shown as "MAT Credit Entitlement". The Group reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the Group does not have convincing evidence that it will pay normal tax during the specified period.

Deferred tax

Deferred tax reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Deferred tax assets subject to consideration of prudence, are recognized and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Such assets are reviewed as at each balance sheet date to re-assets realization.

Current and deferred tax relating to items directly recognized in reserves are recognized in reserves and not in the Consolidated Statement of Profit and Loss.

2.21 Impairment of assets

The Group assesses at each reporting date whether there is an indication that an asset or Cosh Generating Unit (CGU) may be impaired. If any indication exists, the recoverable amount of the same is determined. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cosh flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

A previously recognized impairment loss is reversed in Consolidated Statement of Profit and Loss only if there has been a change in the assumptions used to determine the assets recoverable amount since the last impairment loss was recognized.

2.22 Provision, contingent liabilities and contingent assets

The Group creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources or where a reliable estimate of the obligation cannot be made. Provision for onerous contracts, i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation. Contingent assets are neither recognized nor disclosed in the consolidated financial statements.

2.23 Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

2.24 Classification of current / Non current assets and liabilities

All assets and liabilities are presented as Current or Non Current as per the Group's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and time between acquisition of assets and disposal of liabilities, the Group has ascertained its operating cycle as 12 months for the purpose of current / non current classification of assets and liabilities. Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalent.

b. Terms/rights attached to equity shares

The Company has only one class of equity shares having a par value of Rs. 10 per share. Each holder of equity shares is entitled to one value per share. The Company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the arsuing Annual General Meeting. In the event of Equidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, other distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

March-2023*	HDFC Bank Ud.	Debtors	5,865.81	5,934.26	68.45
March-2023**	HDFC Bank Ltd.	Stock	4,393.12	4,397.38	4.26

Reasons for material discrepancies in the month of March 31, 2023

The quarterly returns at statements filed by the Group for working capital limits with banks are in agreement with the books of account of the Group except for statements filed for the quarter and year ended March 31, 2023, where differences were nated between the amount as per books of account for respective quarters and amount as reported in the quarterly statements as follows; the differences were in case of trade receivables amounting to Rs. 68.45 (amount reported Rs. 5,865.81 vs amount as per books of account Rs. 5,934.26) and Inventories had a difference of Rs. 4.26 (amount reported Rs. 4,393.12 vs amount as per books of account Rs. 4,397.38). The difference is mainly due to actualisation of provisions for expenses, goods in transit and cut-off adjustments at the year end.

39. Segment information

The Company is engaged in the manufacture and supply of automobile filters and lubes and has classified the operations as primary segment. Accordingly, there is no reporting requirements of primary segment. Geographical revenues are allocated based on the location of the customer. Geographical segments of the Company are India and Outside India. Revenues and expenses directly attributable to segments are reported under each reportable segment. Expenses which are not directly identifiable to each reportable segment have been allocated on the basis of associated revenues of the segment. All other expenses which are not attributable or allocable to segments have been disclosed as unallocable expenses. Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as unallocable. Fixed assets that are used interchangeably amongst segments are not allocated to primary and secondary segments.
